Pay for a Home With Rent Money

Every man CAN own his home, such is in accordance with the offer made by the Local Building and Loan Association.

You can satisfy your desire to own by investing your rent money instead of giving it away for a thirty-day lease on a house.

Home ownership is a profitable investment as well as providing a cheerful, com-fortable home for your family.

Building materials are increasing. Labor is hard to get. A few months later a home will cost many more dollars than at present.

Why not build or buy right now. You'll save money. The increased value of your property will mean money in your pocket. If you have a building site, we will finance the construction of a home built by
